- Endorsed by the National Sleep Foundation
- Conforms to your body, relieving pressure points
- Distributes weight evenly
- “Ends roll together or roll off”
- Fits on your platform bed, slatted frame bed or box spring
- Matching foundation is available

I'm often shocked to wake up in the EXACT SAME position I was in when I feel asleep. And for the first time in my life, I am waking up after only 6-8 hours of sleep feeling fully refreshed and ready for the day.—Lauren, May 2012
